

Chalk Pastel Drawing

Assignment:

Using everyday 3D white objects such as: plastic silverware, cups, outlet covers, q-tips, coffee filters, hangers, folded paper, etc, create a composition on brown paper. Lightly sketch out your composition with a white charcoal pencil or white chalk pastel on the brown paper. Then go over your lines with different colored chalk pastels.

Keep the following requirements in mind when working on this piece:

- ☆ Choose one type of object to repeat a min. of 12 times
- ☆ Within your drawing balance warm and cool colors to create an illusion of light reflections and shadows.
- ☆ Be creative with overlapping and intertwine shapes.
- ☆ Keep in mind the actual space on the picture plane... and creatively use all of your space.
